Partners for Progressive Israel is grief-stricken over the loss of former MK for Meretz, Ilan Gilon. Y’hi zichro baruch. May the memory of Ilan’s lifelong fight for social justice be a blessing to all.

Our friends in @Meretz מרצ write: “Ilan Gilon was one of the pillars of the Israeli left. A groundbreaking leader, who worked tirelessly – in the Knesset, on the streets, and in hundreds of rallies – for the less fortunate members of society. A man of principle. A fighter. And a friend. Justice, equality, peace, and a love of all humankind are his legacy.
